#### **Digital Music Dissemination**

*Technical, Practical, Historical and*

*Philosophical Issues of Recorded New Music in*

*the 21st Century: Cds, Dvds, Mp3s, iTunes -*

*What's next, what should an artist do?*

Presenter: *Jean-François Denis*, Director - empreintes digitales label, La Liste promotion and Web services, Diffusion i média,, Montréal

**Following the success** of these two workshops at the 2007 CNMN FORUM in Winnipeg, CNMN has organised a a pan-Canadian tour so that new music artists, presenters and others in the community can learn more about these two critical issues around new music from some of the leading experts in the field.

**Ideal for independant artists or companies** who want to improve the dissemination of their music through the range of media outlets. Also a great place to meet other new music praticioners in your city!
