

Home Is...

Verse 1: A-A-D-E

Home is a table with lots of food
It can change your entire mood
You can bring your friend tonight
And we can sit under the light

Chorus: A-A-D-E

No matter how far you go
You can always come back home
(x2)

Verse 2

Home is a safe and comfortable place
It's where I go after a hard day
Home feels like family
They're my strength in instability

Chorus

Bridge: A-A-F#m-F#m

Home smells like a jasmine flower
It keeps me stronger than a tower
Home smells like a rose
It's a place where I can grow

Chorus
